Homestay Questionnaire

The information you provide here will help us to place you with an appropriate host family. Bear in mind, however, that we can't "manufacture" a family just for you. The process of adjusting to cultural differences—you adjusting to your Spanish family and your host family adjusting to you—is part of the challenge and adventure of living abroad!

1. Describe your family (your parents, your siblings, their occupations, hobbies, interests, religious practices, etc.) Which interests do you share with them? In which family activities do you participate?
